CORN  
ST.

CONTEMPORARY REDEVELOPED OFFICE SPACE

## THE HISTORY

41 Corn Street was built in 1964 as the new head office for the Bristol & West building society. The building's elevation to Corn Street is characterised by its symmetry and order true to Brutalist buildings of its time, with large areas of glazing, precast concrete fins and textured spandrel panels.

# MAKING AN ENTRANCE

As you enter 41 Corn Street, you will be met by mid-century design touches that bring the industrial architecture to life. Warm, patinated copper accents contrast with grey textured raw concrete while soft furnishings add character.

# DISTINCTLY URBAN

Corn Street is in the heart of the historic city centre of Bristol, an area which has seen strong regeneration and is filled with restaurants, pubs, secret bars and independent coffee shops. St Nicolas Market is around the corner, home to street food and a farmers' market, while the harbourside is a short stroll away for arts and culture. At the end of the street are metrobus stops and Temple Meads Station is a 12 minute walk.

The area is already very popular with a wide range of existing office occupiers in particular in the media, creative, technology, professional and financial services sectors. Major nearby occupiers include Immediate Media, Graphcore, Lloyds Banking Group and Abide Financial.
